

Introduction

This guide will allow you to install the AmusementConnect MobileMech on a mechanical pool table. These instructions will take you through the installation process using the manufactured pool table harness.

<u>Parts Required:</u>	<u>Game Applications:</u>
<ul style="list-style-type: none">• MobileMech• Pool Table Harness• Electrical Tape or heat shrink• Zip-Ties• Cable Tie Mount• Wire Cutter• Gorilla Tape or Double-Sided Tape	<p>Mechanical Pool Table</p>

Pre-Installation Requirements

Before beginning the installation, ensure that the following requirements are met:

AC Location Activation

The game machine asset and MobileMech device must be assigned to an available location name under your organization in the Amusement Connect Operator Dashboard. Complete the [Location Setup Request Form](#) if a new location needs to be created.

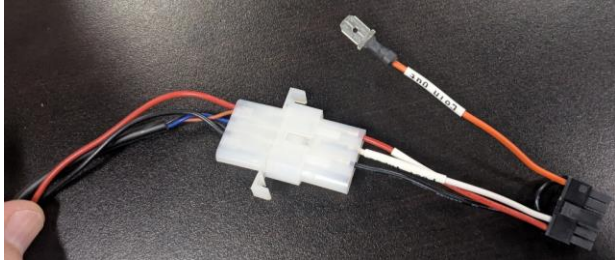

Game Machine Asset Setup

To properly function after installation, the powered MobileMech device must be assigned to an active Game Machine Asset within the Operator Dashboard. To create a new Game Machine Asset, follow the Quick Start Guide process.

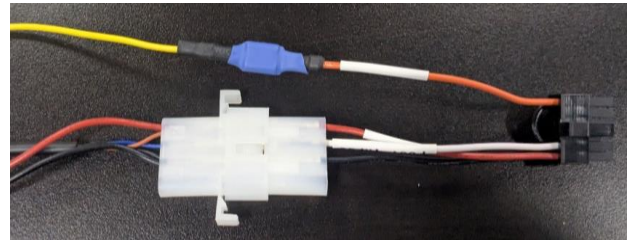

Connectivity

Wi-Fi configuration requires access to the router SSID and password. A 2.4 GHZ network is required to connect the MobileMech device to Wi-Fi.

Mechanical Pool Table W Manufactured Harness

1) Connect the Molex on the pool table harness to the Molex coming from the AC SliderMech.

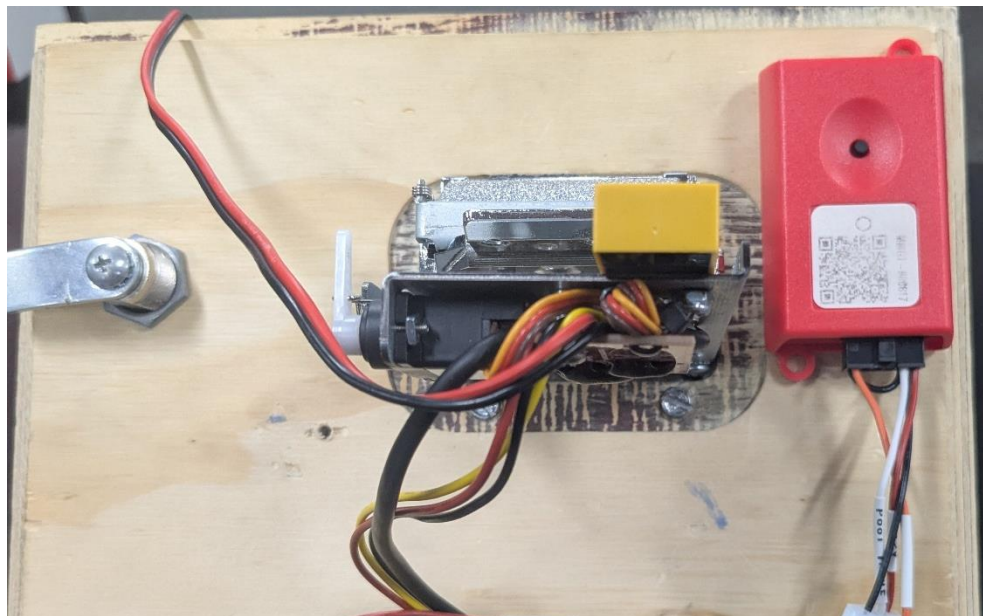

2) Connect the Orange from the pool table harness to the Yellow of the Amusement Connect AC SliderMech. Use a piece of electrical tape or heat shrink to finish the connection.

3) Connect the pool table harness to MobileMech.

4) Apply Gorilla tape or double sided tape to back of MobileMech.

5) Apply cable tie mount and use zip-tie to bundle harness to the back of the coin door. Attach MobileMech to back of coin door. Press firmly!
