

Introduction

This guide will help you link an Amusement Connect location to a partner payment system. Here a customer can connect to a partner system and link with Amusement Connect such as the AMI Jukebox, or the Square payment system.

Pre-Installation Requirements

Before beginning the installation, ensure that the following requirements are met:

AC Location Activation

The game machine asset and MobileMech device must be assigned to an available location name under your organization in the Amusement Connect Operator Dashboard. Complete the [Location Setup Request Form](#) if a new location needs to be created.

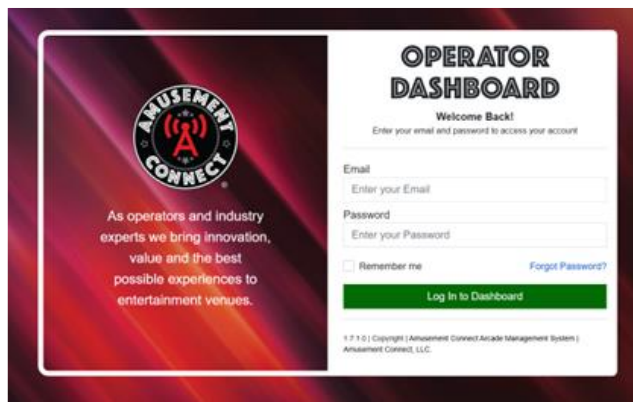

Game Machine Asset Setup

To properly function after installation, the powered MobileMech device must be assigned to an active Game Machine Asset within the Operator Dashboard. To create a new Game Machine Asset, follow the Quick Start Guide process.

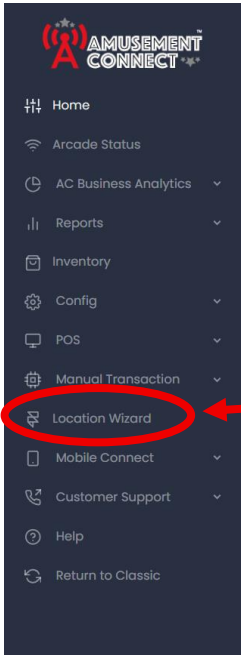

Connectivity

Wi-Fi configuration requires access to the router SSID and password. A 2.4 GHZ network is required to connect the MobileMech device to Wi-Fi.

Partner Payment Systems

1) Navigate to <https://app.amusementconnect.com/> & log in.
